

# GET CASH-BACK REBATES

When You Upgrade Your Home's Heating and Cooling Equipment

Save energy, lower your bill and make your home more comfortable with help from the Ameren Missouri Heating and Cooling Program. When you install qualifying, energy-efficient heating and cooling equipment, not only will you use less energy, but you can also earn significant rebates to help make the installation more affordable.

## What Types of Rebates Are Available?

Single family and multifamily residential electric customers living in the Ameren Missouri service area are eligible for a variety of rebates that are effective for equipment installation on or after January 1, 2024, including:

- Central Air Conditioner: up to \$700
- Air-Source Heat Pump: up to \$900
- Ductless Air-Source Heat Pump: up to \$500
- Geothermal Heat Pump: up to \$1,800
- Learning Thermostat: \$100

\*Offer applies only to qualifying purchases. Visit [AmerenMissouriSavings.com/HVAC](https://AmerenMissouriSavings.com/HVAC) for full program details.

## What Are the Benefits of Energy Efficient Heating and Cooling Equipment?

In addition to the rebates\* you can earn through the Ameren Missouri Heating and Cooling Program, upgrading to energy efficient equipment offers multiple benefits:

- Peace of mind, thanks to its reliable performance
- Comfort throughout the changing seasons
- Energy savings
- Lower monthly energy costs

## How Does the Program Work?

1. You can start by reviewing the variety of rebates offered through the Heating and Cooling Program at [AmerenMissouriSavings.com](https://AmerenMissouriSavings.com).
2. Then, you can review the list of Participating Contractors at [AmerenMissouriSavings.com/HVAC](https://AmerenMissouriSavings.com/HVAC) to find one in your area. If you have any questions, a Participating Contractor can help. Participating Contractors are trained to understand energy efficiency and can help find the right options for your home.
3. The Participating Contractor will install your new energy efficient equipment.
4. When the project is complete, your Participating Contractor will handle all of the rebate paperwork for you and will submit it directly to Ameren Missouri on your behalf.
5. After all the paperwork is complete, you will receive your rebate check in the mail within eight weeks.

**Participating Contractor** status does not imply an Ameren Missouri endorsement of the contractor in any way; rather, it simply identifies contractors who have completed the required program training and committed to actively promoting the program and helping customers complete the incentive form.

\*Offer applies only to qualifying purchases. Visit [AmerenMissouriSavings.com/HVAC](https://AmerenMissouriSavings.com/HVAC) for full program details.
